G10U has 16 teams, comprising four 4-team pools. Teams play two pool games Friday and one pool game Saturday morning. At the conclusion of pool play, teams are seeded into four 4-team brackets. The four pool winners go into the top bracket as seeds A through D and play for 1st through 4th place. The four second-place teams are given seeds E through H and play for 5th through 8th place. The third- and fourth-place teams are seeded I through L and M through P likewise. Each team will play one bracket game on Saturday afternoon and one final game on Sunday.

B14U, G14U, B12U and regular B10U have 12 teams, divided into three 4-team pools. Teams play two pool games Friday and one pool game Saturday morning. At the conclusion of pool play, teams are seeded into three 4-team brackets. The three pool winners and the second-place team with the most points go into the top bracket as seeds A through D and play for 1st through 4th place. (Usually the three first-place teams are seeds A-C and the "wild card" second place team is D, but if A and D come from the same pool we switch C and D to avoid a rematch.) The remaining two second-place teams and the top two third-place teams become seeds E-F and G-H respectively, and they play for places 5 through 8. The remaining third-place team and all the fourth-place teams become seeds I-L, and they play for places 9 through 12. In the two lower brackets we also switch G and H or K and L to avoid a rematch. Every team has one bracket game Saturday afternoon and one final game on Sunday.

Regular G12U has 8 teams, divided into two 4-team pools. Teams play two pool games Friday and one pool game Saturday morning, and they are then seeded into brackets for a bracket game Saturday afternoon and a final game Sunday. The top bracket contains the first- and second-place teams in each pool, and the lower bracket contains the third- and fourth-place teams. On Saturday afternoon, each first-place team plays the second-place team from the other pool, and the third- and fourth-place teams likewise play across pools. On Sunday, the winners in the top bracket play for the championship, the losers in the top bracket play

for 3rd and 4th place, and the teams in the lower bracket play likewise for 5th/6th and 7th/8th place. All teams play one game on Sunday. B10U Elite and G12U Elite (denoted B10E and G12E in the schedule) have 5 teams. Teams play two pool games Friday and two pool games Saturday to complete a four-game round robin. On Sunday, the first- and second-place finishers play for the championship, and the third- and fourth-place finishers play for third place. The fifth-place finisher does not play on Sunday.

14U: Field L1 is the turf football field at La Canada High School, on Oak Grove Drive south of Foothill Blvd in La Canada. (Exit the 210 at Berkshire, turn east, then turn left onto Oak Grove Drive and left again into the school parking lot.) Field L2 is a grass field south of L1, behind the ongoing construction. Field B1 is at Blair High School, on Marengo Avenue south of Glenarm in southwestern Pasadena. The field, which is not visible from the street, is south of the tennis and racquetball courts.

"Field" V0 provides a vehicle for assigning standby referees. Referees assigned standby duty are expected to report to the referee tent half an hour before their assigned time, to be sent to a field if necessary or to be excused. Experience has taught us that referees occasionally miss their assignments, hence the need for standby refs.
