Pool games : number-dash-number (e.g., "3-4": Team 3 vs Team 4).
 22-minute halves. No overtime. Games may end in a draw.

Bracket game : letter-slash-letter (e.g., "E/F": E-team vs F-team).
 22-minute halves. No overtime. If game is tied, proceed immediately to kicks from the penalty mark.

Final game : number-slash-number (e.g., "7/8", for 7th and 8th places).
 -- Championship (1/2) and consolation (3/4) games are full length.
 If game is tied, play two 5-minute periods of extra time;
 if game is tied after extra time, use kicks from the penalty mark

to determine the winner.
-- All other final games: same as for bracket games.

BU10 has 14 teams, divided into two independent 7-team flights. Each flight plays a six-game round robin, two games each day. There is no championship game: the team with the most points on their flight finishes first in that flight, and so forth down the line.

GU10 and GU12 have 16 teams, comprising four 4-team pools. Teams play two pool games Friday and one pool game Saturday morning. At the conclusion of pool play, teams are seeded into brackets. The four pool winners go into the top bracket as seeds A through D and play for 1st through 4th place. The four second-place teams are given seeds E through H and play for 5th through 8th place. The third- and fourth-place teams are seeded I through L and M through P likewise. Each team will play one bracket game on Saturday afternoon and one final game on Sunday.

BU12 has 20 teams, divided into two independent 10-team flights. Each flight is in turn divided into two 5-team pools. Teams play a round robin within their pool, two games on Friday and two games on Saturday. On Sunday, the two pool winners in each flight play for the championship of that flight, the two second-place teams play for 3rd and 4th place, and so forth down the line. All teams play one game on Sunday.

BU14 has 10 teams, divided into two 5-team pools. Teams play a round robin within their pool, two games on Friday and two games on Saturday. On Sunday, the two pool winners play for the championship, the two second-place teams play for 3rd and 4th place, and so forth down the line. All teams play one game on Sunday.

GU14 has 8 teams, divided into two 4-team pools. Teams play two pool games Friday and one pool game Saturday morning, and they are then seeded into brackets for a bracket game Saturday afternoon and a final game Sunday. The top bracket contains the first- and second-place teams in each pool, and the lower bracket contains the third- and fourth-place teams. On Saturday afternoon, each first-place team plays the second-place team from the other pool, and the third- and fourth-place teams likewise play across pools. On Sunday, the winners in the top bracket play for the championship, the losers in the top bracket play for 3rd and 4th place, and the teams in the lower bracket play likewise for 5th/6th and 7th/8th place. All teams play one game on Sunday.

U10: Field M1 is at John Muir High School, in the northwest corner of the large field on the north side of Montana Avenue between Canada Avenue and Casitas Avenue. Field M4 is also at John Muir High School, off of Casitas Avenue, southeast of the parking lot which is itself south of the football field.

Fields V1 and V2 are at "upper" Victory Park, the west side of Victory Park north of Paloma Avenue and east of Altadena Drive.

"Fields" M0 and V0 provide a vehicle for assigning standby referees. Referees assigned standby duty are expected to report to the referee tent half an hour before their assigned time, to be sent to a field if necessary or to be excused. Experience has taught us that referees occasionally miss their assignments, hence the need for standby refs.

U12: Fields V3 through V5 are at "lower" Victory Park, that is, the east side of Victory Park, on the north side of Paloma Avenue east of Altadena Drive. Fields M2 is at John Muir High School, in the southwest corner of the large field on the north side of Montana Avenue between Canada Avenue and Casitas Avenue.

U14: Field M3 is the football field at John Muir High School, on the south side of Montana Avenue. Field P1 is the football field at Pasadena High School, on the south side of Cooley Place east of Altadena Drive.

Parking at Muir: There is a lot south of the football field. Street parking is available on both sides of Canada Avenue north of Montana St, on the west side of Canada Avenue south of Montana St, and on the south side of Montana St EXCEPT FOR the first 100 feet or so just east of Canada Ave. There is NO PARKING immediately opposite the entrance to the bus lot -- there are signs even though the curb is not painted red -- and you WILL be ticketed if you park there.

Parking at Victory Park and PHS: There is a small lot south of Victory Park, off of Paloma Avenue, a larger lot east of Victory Park, off of Sierra Madre Blvd, and a lot just north of field P1

accessible from Cooley Place. Street parking is available on Paloma Avenue, Cooley Place, and Altadena Drive.
